

**Kaplan's Index for GMAC's *Official Guide for GMAT Review*, (12<sup>th</sup> ed).**

Use this index to practice your GMAT skills by focusing on specific topics in the *Official Guide*. Please refer to your online Smart Reports test feedback to identify your areas of weakness and opportunities for improvement. Note that questions from the *Official Guide* increase in difficulty level within each section, so you can target more challenging material by working on higher numbered items. Also note that while many questions test more than one topic, for the purpose of this index, each has been assigned to a single primary category.
