

4. The aristocratic values expressed in the writings of Marguerite Yourcenar place her within the French classical tradition, as does her passionate interest in history, particularly Roman history.

(A) as does
(B) so do
(C) as do
(D) so is the case with
(E) similarly, does

I seem to have a problem with such questions. Pls explain why the answer for No. 4 is A and No. 14 is B. Please also explain the concept of “as does”, “so do” etc. thanks.

14. Local residents claim that San Antonio, Texas, has more good Mexican American restaurants than any city does in the United States.

(A) any city does
(B) does any other city
(C) other cities do
(D) any city
(E) other cities
