7 steps to the GMAT exam

Step 2: Register for the GMAT; develop a study plan

Activity

- Select your test center and date, and book your GMAT exam – the farther in advance you book, the greater your choice.
- Develop a study schedule that lists not just when but also what you'll study.

Resources

- Find a test center near you
- Book your GMAT exam
- Familiarize yourself with the GMAT exam by reviewing the basics and reading about the exam format and the different question types.

Tips

- Plan to study twice a week.
- Mix up different question types and exam sections in your schedule.

[Previous step](#)[Next step](#)

Practice

Try retired GMAT exam questions, review your progress, and then apply what you've learned in two full-length GMAT exams. You can even reset your answers and do it all again.
