| 12:04 | JonAdmissionado | Have you all applied already? |
| 12:04 | JonAdmissionado | Or are you thinking about it? |
| 12:04 | jumsumtak | nope.. im talking about r1/2 2013 |
| 12:04 | JonAdmissionado | jumsumtak thanks for breaking the ice dude |
| 12:04 | JonAdmissionado | Actually it shouldnt matter in of itself |
| 12:05 | jumsumtak | class of 14-16 |
| 12:05 | JonAdmissionado | If the change is to a better job it's always good |
| 12:05 | JonAdmissionado | And if it brings you closer to your goals it's also always good |
| 12:05 | JonAdmissionado | So don't have any fearing of change just because you are applying |
| 12:05 | MBA15 | Hey Jon! |
| 12:06 | MBA15 | Thanks for the CHAT |
| 12:06 | JonAdmissionado | hello MBA15! |
| 12:06 | MBA15 | I have been having some connection issues |

| | | |
|-------|-----------------|--|
| 12:06 | MBA15 | I ll probably skip 2014 and apply for '15 fall. Currently I work in a Big manufacturing sector in India and hoping to get into consultancy post MBA. |
| 12:06 | jumsumtak | hmm.. ok. another one: in what capacity is a part time gig (throughout my work history) at a family business is perceived. ive plans to include it on my resume. |
| 12:07 | MBA15 | Is there any way I can tweak my profile in the 2 years before applying to increase my chances? |
| 12:07 | JonAdmissionado | MBA15 let me take your Q first |
| 12:07 | JonAdmissionado | and then we'll hit you up to jumsumtak |
| 12:07 | MBA15 | 😊 |
| 12:08 | JonAdmissionado | Soo what can you do?? good question but hard answer.. |
| 12:08 | JonAdmissionado | number one thing - succeed |
| 12:08 | JonAdmissionado | I knot it's a bit of a catch 22... but you have to keep the tension for the next two years |
| 12:08 | JonAdmissionado | try and excel |
| 12:08 | MBA15 | (yeah cant wait to apply) |
| 12:08 | JonAdmissionado | get promoted lots |
| 12:08 | JonAdmissionado | If it's not happening, maybe consider moving |
| 12:09 | JonAdmissionado | Look also for leadership ooprunities.. and if there aren't any MAKE them |
| 12:09 | JonAdmissionado | (you know be the monthly trip organizers at your work) |
| 12:09 | JonAdmissionado | other than that 1. get the GMAt out of your way early |
| 12:09 | JonAdmissionado | scores are good for five years... so get it done with this year if you can |
| 12:10 | MBA15 | yeah I was thinking about taking the gmat in the coming 6 months or so... |
| 12:10 | JonAdmissionado | 2. if you don't have real and deep volunteer work, work on that now |
| 12:10 | JonAdmissionado | good idea! |
| 12:10 | MBA15 | but i havent figured out how to tie up the manufacturing sector exp to a post MBA career in consulting |
| 12:10 | souvik | wow so many things common with MBA 15 |
| 12:10 | souvik | I am a 2015 hopeful too |
| 12:10 | souvik | 😊 |
| 12:10 | | *** souvik is now known as souvik101990 |
| 12:10 | JonAdmissionado | Well there are a few options here... 1. ignore the consulting goals |
| 12:10 | | +++ ChanServ has given op to souvik101990 |
| 12:11 | JonAdmissionado | 2. make them match up with your manufacturing |
| 12:11 | JonAdmissionado | (those are the best) |
| 12:11 | JonAdmissionado | but it's a bit waerly to worry about that |
| 12:11 | JonAdmissionado | jumsumtuk |
| 12:11 | JonAdmissionado | I didnt forget you dude! |

| | | |
|-------|-----------------|--|
| 12:11 | MBA15 | Yeah I agree its early... but I want to make sure I utilize my lead |
| 12:12 | JonAdmissionado | jumsumtak... to answer your ! family biz can be AWESOME!! in general the bigger the business the better impact it will have on your profile |
| 12:12 | JonAdmissionado | MBA15 - I got you... but what i mean is that strategy comes later... Right now, make the decisions that are right for you workwise... |
| 12:12 | JonAdmissionado | you can always build a strategy ex post facto |
| 12:13 | souvik101990 | Jon can i post questions too 😊 |
| 12:13 | JonAdmissionado | you may |
| 12:13 | JonAdmissionado | 😊 |
| 12:13 | vugi | another q: Concerning the work experience, i've worked in a top law company when i was studying engineering(part-time/1 year), but besides that I have only WE in board of big cultural student association(1 year) and volunteer part-time job(econ tutor) at high-school and college. So my question is, if this WE would be considered as relevant at all and does it |
| 12:14 | vugi | make any sense to apply without WE for MBA? |
| 12:14 | JonAdmissionado | oops... looks like vugi beat you to it! |
| 12:14 | vugi | sorry for that |
| 12:14 | vugi | 🙏 |
| 12:14 | JonAdmissionado | vugi.. actually you can't apply ot (most) MBA programs with no WE... they just arent programs designed for people with no WE |
| 12:15 | JonAdmissionado | the exceptions are Yale Silver Scholars, HBS 2+2, Stanford Deferred |
| 12:15 | JonAdmissionado | Plus in europe you have these new MiM (Masters in Management programs) |
| 12:15 | souvik101990 | So my Teach for India gig starts in May and is till 2015 and after that I apply. What should be the ideal post MBA goals (short term) after doing teach for India? I am inclined towards consulting focusing in the education sector (Mckinsey does awesome work in conjunction with the government in Delhi and Mumbai education wise). What do you think? |
| 12:15 | JonAdmissionado | Otherwise, if you want your classic 2-year MBA, you will have o wait a few years |
| 12:16 | JonAdmissionado | souvik101990 Education consulting is perfect. If you hadn't suggested it, I would have |
| 12:16 | vugi | ok, and what about my WE is it relevant? |
| 12:16 | JonAdmissionado | Just as good is non-profit |
| 12:16 | jumsumtak | thanks. ill go ahead and post a specific query. a lot of us (internationals) study in good univ. (non-IITs). but im afraid the adcoms might not be in a positto |
| 12:16 | JonAdmissionado | profit |
| 12:17 | jumsumtak | (please excuse that. my phone is acting funny) |
| 12:17 | JonAdmissionado | vugi - your WE IS relevant, in that you HAVE it!! you have experiences and stories... however, it is not "relevant" in the sense that work during undergrad doesn't count on the ticker... |

| | | |
|-------|--------------------|---|
| 12:17 | JonAdmissionado | dont worry.. everybody can jump in when they feel.. i'll try and get to all your Qs |
| 12:18 | JonAdmissionado | jumsumtak |
| 12:18 | JonAdmissionado | go ahead with your ! |
| 12:18 | JonAdmissionado | Q |
| 12:18 | JonAdmissionado | 😊 |
| 12:18 | jumsumtak | my question is, where exactly do we explain that my UG was in fact a tier -1 education. resume? |
| 12:19 | JonAdmissionado | aha! good question. Resume is a great place to do that, but you have to do it through FACTS!!! You can't just write "It's really good guys.. believe me!" |
| 12:19 | souvik101990 | 🤔 |
| 12:19 | | *** souvik101990 is now known as Guest11312 |
| 12:19 | JonAdmissionado | So what I try and do is find a fact.. like a ranking "My school is India's number 1 ranked school in Education by the Times of India" |
| 12:19 | JonAdmissionado | Or somesuch |
| 12:19 | hotwheels | hey hey! |
| 12:19 | JonAdmissionado | hey hey |
| 12:19 | | *** Guest11312 is now known as souvik_ |
| 12:19 | jumsumtak | yes. so, these include rankings? |
| 12:19 | Vercules | Can one put as "institute ranked 20 or 22 in India" |
| 12:20 | JonAdmissionado | totally jumsumtak |
| 12:20 | hotwheels | thanks for hosting this session |
| 12:20 | JonAdmissionado | include the rankings |
| 12:20 | jumsumtak | got it! |
| 12:20 | souvik_ | jumsumtak can you check PM in the chat please |
| 12:20 | JonAdmissionado | goood |
| 12:21 | JonAdmissionado | how about you hotwheels ? |
| 12:21 | hotwheels | can you talk a bit about your experience with reapplicants? how are they typically viewed |
| 12:21 | JonAdmissionado | whats your story? |
| 12:21 | souvik_ | JonAdmissionado what about class ranking? How mandatory is that especially when there are certain colleges which do not offer class ranking data |
| 12:21 | JonAdmissionado | Reapplicants are viewed well if they have shown improvement |
| 12:21 | LaurenAdmissionado | hey guys - is anyone out there applying in round 3 this year, or are you all looking at 2014 and beyond? |
| 12:21 | JonAdmissionado | actually i would say that a reapplicant with really strong improvements might even have better chances than your normal applicant.. |

| | | |
|-------|--------------------|--|
| 12:22 | vugi | so, if i got it right, I can't even apply for MBA until I have the WE before/after the UGD? |
| 12:22 | hotwheels | and improvements i guess would cover a lot of different areas |
| 12:22 | hotwheels | extracurricks, job leadership? |
| 12:23 | JonAdmissionado | vugi exactly! The bare minimum would be two years |
| 12:23 | redpringles | wow so many people here compared to yesterday |
| 12:23 | JonAdmissionado | I'd suggest at least 3 |
| 12:23 | Vercules | Jon- If i've already submitted my application, can I mail the school about the ranking of my Undergrad College..?? |
| 12:23 | JonAdmissionado | what happened yesterday? what'd I miss? 😞 |
| 12:24 | JonAdmissionado | hotwheels.. improvements are welcome everywhere.. but the most important are in 1. leadership 2. responsibilities/promotion 3. GMAT |
| 12:24 | souvik_ | Jon the chat is a really cool place (with HBS, booth and MIT alums hovering around) for MBA applicants |
| 12:24 | JonAdmissionado | Vercules... at this point its not necessary |
| 12:25 | JonAdmissionado | Its a bit minor reason for contacting the AdCom |
| 12:25 | Vercules | Jon- yeah i also think so, as it will sound desperate... |
| 12:25 | JonAdmissionado | But if you make a new app, definitely keep it in! |
| 12:25 | hotwheels | got it, thanks! |
| 12:25 | JonAdmissionado | Totally cool |
| 12:25 | JonAdmissionado | you got it |
| 12:26 | LaurenAdmissionado | Vercules - where did you apply? And was it Round 1? Round 2? |
| 12:26 | LaurenAdmissionado | Vercules - where did you apply? And was it Round 1? Round 2? |
| 12:27 | Vercules | I applied to HBS, wharton, tuck, tepper, columbia, darden , all in round 2 |
| 12:28 | jumsumtak | another. what about resume titles and working titles. can we have diff. resume titles than our working titles? im a consultant in a healthcare firm and my desig doesnt really reflect what i do. i was impressed with dukes portal where they asked me if they were diff. what about other schools? especially with the post admits background check. |
| 12:28 | LaurenAdmissionado | Wow, busy round 2! |
| 12:28 | JonAdmissionado | Yep thats totally okay as long as its not too far a stretch |
| 12:28 | Vercules | yes, last one was Stern and yet to submit Johnson |
| 12:29 | JonAdmissionado | i mean if you are writing CEO and your an associate... |
| 12:29 | JonAdmissionado | 😊 |
| 12:29 | JonAdmissionado | But otherwise, you can definitely make your job title more impressive through creativity |

| | | |
|-------|--------------------|--|
| 12:29 | vugi | re 2+2 program, i just noticed that you are allowed to apply for this program only in the same year when you graduate, right?is there any differences for eu applicants, since the semesters in eu has a slightly different beg/end dates? |
| 12:30 | jumsumtak | right. thanks. |
| 12:30 | JonAdmissionado | vugi very very good question |
| 12:30 | hunter | jumsumtak: I was a development engineer, but was working mostly on innovation and business strategy projects. HBS never even asked about titles, just about the roles I had |
| 12:30 | JonAdmissionado | But for exceptions like that you are gonna need to ask Harvard |
| 12:30 | JonAdmissionado | I mean if semesters are half a year off and stuff.. etc. etc. send the Adcom an email with your idea and see what they say |
| 12:31 | vugi | so you mean they can make a one time exception or there are just some other rules? |
| 12:32 | jumsumtak | @hunter: i was talking about writing stuff on the resume. im sure the interview would be concentrated on the role |
| 12:32 | hotwheels | have people been successful at the top schools without a rec from their current employer? |
| 12:33 | JonAdmissionado | Well, they won't likely make a one-time exception.. but the thing is I cant really tell you what they might say as this is really internal policy.... look at it this way though - it never hurts to try |
| 12:33 | JonAdmissionado | hotwheels - yes they have, as long as they give good reason |
| 12:33 | Vercules | Jon- do the round systems of London Business School are same as for American Schools. Would I find it difficult to get in If I apply in Round 3 which is in Feb 15 |
| 12:33 | JonAdmissionado | but you should be getting that rec if you can |
| 12:34 | hotwheels | the reason would basically be to avoid being fired. a fellow employee that asked for recommendations is now being asked to leave by the end of this month |
| 12:34 | JonAdmissionado | Vercules - well a bit different.. LBS has four rounds.... usually.. LAsT round is the killer |
| 12:35 | JonAdmissionado | and if they have 4 or six rounds.. then its easier than last (R3) |
| 12:35 | Vercules | cool..!! |
| 12:35 | LaurenAdmissionado | hotwheels - are there other people you can reach out to for a recommendation? |
| 12:35 | niharnshah | Is a top UK university like Warwick recognized throughout the world? Let's say a country like New Zealand. And what about USA |
| 12:35 | jumsumtak | @hotwheels: woah.. tough place |
| 12:36 | JonAdmissionado | hotwheels - well that is as good a reason i have heard as any! |
| 12:36 | hotwheels | there's a portfolio company that i oversee and they share office space with us as they ramp up |
| 12:36 | LaurenAdmissionado | hotwheels - if you apply later, how does that prevent this problem? |
| 12:36 | hotwheels | it's basically a startup |
| 12:36 | hotwheels | i can ask the VP of Finance at this portfolio company |
| 12:37 | hotwheels | who can assess my current professional experience i guess |
| 12:37 | hotwheels | but not really a manager |

| | | |
|-------|--------------------|---|
| 12:37 | JonAdmissionado | niharnshah - well "reocgnized" is very relative... Its for sure likely to have a better name in Anglo countries than in others for exmaple |
| 12:37 | hotwheels | Lauren, it does't really as I'm not really sure how they'll react with me |
| 12:38 | LaurenAdmissionado | JonAdmissionado - what do you think of hotwheels asking someone who knows him (but isn't his boss) for a rec (you know, to prevent getting fired) |
| 12:40 | JonAdmissionado | hotwheels well if you get one from your current job, try and get someone who is higher up than ou and who knows your work well... if you cant get that.. then maybe skip a recommender form the current job.. it's a bit hard to say for sure without knowing what all your alternatives are |
| 12:40 | redpringles | that's a tough situation, hotwheels |
| 12:40 | hotwheels | so the portfolio company recommendation is not advisable? |
| 12:41 | hotwheels | i'd be able to get recs from my previous job |
| 12:41 | hotwheels | but nothing from my firm itself |
| 12:41 | hotwheels | yeah, not ideal redpringles :S |
| 12:41 | redpringles | are you talking about rec letters for R3 this year? |
| 12:41 | JonAdmissionado | hotwheels not really cause YOU oversee them |
| 12:42 | JonAdmissionado | its like me getting a recommendation from my employees |
| 12:42 | JonAdmissionado | I mean who would write something bad? |
| 12:42 | hotwheels | well i don't impact his evaluation |
| 12:42 | hotwheels | we just supplied them capital. i see it more like we're partners |
| 12:43 | JonAdmissionado | i see |
| 12:43 | vugi | q:is there any common scale the US BS use to convert the german grades to GPA? |
| 12:43 | JonAdmissionado | well that would be an option |
| 12:44 | niharnshah | Jon, Basically I have 3 years of work experience. I have started my own Social society in India apart from my full time work. I studied 3 year Bachelor of Business in Uni of Wolverhampton, UK but just managed to get an overall 2:2. I am preparing for GMAT and aim to get around 700. But I was advised I should forget top US universities. |
| 12:44 | JonAdmissionado | do you have previous employers you could hit up? |
| 12:44 | hotwheels | yeah but for some schools that require 3 references, it may be overload to get it all from one place |
| 12:45 | JonAdmissionado | vugi - for the most part you will be reporting your grades in the german scale.. the schools work on their own to "convert" the grades.. as they know that the difficulty of school A or B might not be the same |
| 12:45 | JonAdmissionado | hotwheels - it totally agree. in that case i would for sure use him |
| 12:45 | hotwheels | got it, this is very helpful, thanks again |
| 12:46 | vugi | ok,thanks Jon |
| 12:46 | JonAdmissionado | niharnshah hard to say where you could or should apply based only on these facts.. id need to dig a lot deeper into your profile |

| | | |
|-------|--------------------|---|
| 12:46 | niharnshah | I can get recommendations from my employer, other NGOs, even from the youth wing president of the chamber of commerce and industry of my state. |
| 12:46 | LaurenAdmissionado | Guys - before I forget I wanted to share one quick thing. Not sure if you saw it, but we're currently offering up to 40% off all of our services thru 1/31 |
| 12:46 | JonAdmissionado | (which BTW you are more than welcome to send us for an evaluation) |
| 12:46 | JonAdmissionado | but with a 2.2, yes Top 10 schools are very tough |
| 12:47 | LaurenAdmissionado | So if you're applying this year, next year...whenever! If you wanna team up, now's the time to do it (to take advantage of our biggest discount... ever) |
| 12:47 | JonAdmissionado | buuuuut top 30 schools are also excellent! |
| 12:47 | LaurenAdmissionado | Just wanted to make sure you all knew 😊 |
| 12:47 | JonAdmissionado | sooo depedns on your goals and dreams |
| 12:47 | JonAdmissionado | thanks Lauren! |

| 12:47 | JonAdmissionado | Are we really giving away such big discounts? haha! |
| 12:47 | JonAdmissionado | niharnshah - it will likely neither help nor harm |
| 12:47 | niharnshah | I see. Thanks! |
| 12:47 | JonAdmissionado | you got it |
| 12:48 | JonAdmissionado | sooo lurkers... anybody else got a question? |

| 12:48 | LaurenAdmissionado | Biggest ever. |
| 12:49 | LaurenAdmissionado | Really excited about it 😊 |
| 12:49 | niharnshah | To give u a some more info, I have a social society here in India which motivates people to dream and achieve their goals. It has a lot of success with the fact that over a 1000 people have been benefited in some or the other way and most of the schools, colleges, universities in my state have invited our workshops. |
| 12:49 | niharnshah | To give you some more info* |
| 12:49 | LaurenAdmissionado | Has anyone in here heard anything back from the schools you've already applied to? Any results yet from Round 1? |
| 12:50 | JonAdmissionado | niharnshah |
| 12:50 | JonAdmissionado | that sounds very good |
| 12:50 | JonAdmissionado | you need to really emphasize this point becuae it could be a strong point on your profile |

| | | |
|-------|--------------------|--|
| 12:50 | niharnshah | It was just until I had some misunderstanding with my Dad that I started thins seriously. |
| 12:50 | JonAdmissionado | the important thing is to focus on CONCRETE achievements |
| 12:51 | niharnshah | Otherwise, being a rich dad's son, I never was much into studies and now I regret my grades 😞 |
| 12:51 | JonAdmissionado | I see.. well your first job is to PROVE it.. how? by getting an amazing GMAT! |
| 12:51 | JonAdmissionado | 😞 |
| 12:51 | JonAdmissionado | but... it does have its other advantages.. like i wrote, esp. if you have a big family business |
| 12:52 | niharnshah | I don't really depend on dad now. Its me and my social club. And for my GMAT, I have taken a 1 month off. |
| 12:52 | JonAdmissionado | allright.. well good luck to you there |
| 12:52 | niharnshah | Since English is not my first language, Verbal section is difficult for me. |
| 12:52 | JonAdmissionado | and you have plenty of time to retake if you dont hit it the first shot |
| 12:52 | niharnshah | Thanks a lot! |
| 12:53 | JonAdmissionado | verbal is a killer my friend |
| 12:53 | Guest15483 | 40% discount whoa! |

| 12:54 | niharnshah | So how do you suggest I should show my work? |
| 12:54 | LaurenAdmissionado | no prob - this is not something we wanna keep to ourselves 😊 |
| 12:54 | JonAdmissionado | start with results.. what measurable results did you get? |
| 12:54 | niharnshah | Recommendation letters from major Associations? |
| 12:55 | | *** souvik101990 is now known as Guest43803 |
| 12:55 | JonAdmissionado | those too.. but that is too subjective |
| 12:55 | JonAdmissionado | we need measurables! |
| 12:55 | niharnshah | I see. |
| 12:55 | JonAdmissionado | or maybe it was in the media? |
| 12:55 | niharnshah | I have a lot of videos and testimonials where people say how they have been benefited. |
| 12:55 | JonAdmissionado | Soo folks.. only five minutes left!!! |
| 12:55 | JonAdmissionado | last chances!!! |
| 12:56 | niharnshah | The number of such testimonials is in 100s |
| 12:56 | JonAdmissionado | niharnshah - that is good too.. but you need more.. if you could write "Its the biggest network of its type in Region X" then you are talking! |

| 12:56 | niharnshah | And that is also found on the website |
| 12:56 | niharnshah | I see |
| 12:57 | niharnshah | So your final advise? Should I consider top 10? Or stick to top 30? Or top 3 in the UK (Warwick or equivalent) |
| 12:57 | souvik101990 | one last question from me: the rankings in different websites seem very convoluted. How would you rate a major Asian college for example ISB or HKUST with the top 15 college in US or Europe? |
