

PGP-Ex Final Placement Report -2013

Indian Institute of Management Shillong takes great pride in announcing the completion of the Final Placement process for the 1st batch of the flagship Post-Graduate Program for Executives (PGP-Ex). Out of the batch of 35 participants, 5 participants opted to re-join their past employer with higher grades and package. A total of 20 companies confirmed their presence on campus for the process and a total of 17 companies made offers. Despite of the current unfavorable economic scenario, IIM Shillong was able to achieve this with pride. The entire IIM Shillong fraternity expresses its gratitude to all the recruiters for their faith and the support throughout the recruitment process.

PGP-Ex Final Placement Report -2013

The pioneering batch of PGP-Ex participants embarked on the course with an average experience of 5 years from myriad domains and this facilitated the attraction of many recruiters. Participating companies came from different geographies, with offers for a multitude of roles and responsibilities. Owing to the quality of work experience, several companies made multiple offers across functions, with participants mainly being offered senior management positions.

Finance emerged as the most preferred domain on campus with 22% of batch opting for a career in Finance. This was followed by Sales & Marketing, with 19% of batch opting for a career in this domain. This is clear evidence of the accomplishment for an integrated eastern and western management approach.

PGP-Ex Final Placement Report -2013

.....
General Management and Strategy drew 11% of participant in the batch. Major companies like Biocon and Foton Motors offered various interesting profiles to the participants in this domain.

15% of the batch was offered diverse range of profiles across Operations and Management. A significant number of participants in the batch have secured roles in Consulting HR and IT/Analytics. These domains witnessed a major participation from the companies like KPMG, Saipem India Project Services (SIPS) Ltd and many others.

The placement season for the Sino-India MBA program class 2013 season has formally concluded and the participants are all set to prove their ability as senior Managers and tomorrow's leaders. The entire IIM Shillong fraternity is grateful to all its recruiters and is eager to continue the synergetic relationship between IIM Shillong and the corporate world.

PGP-Ex Internship Report -2013

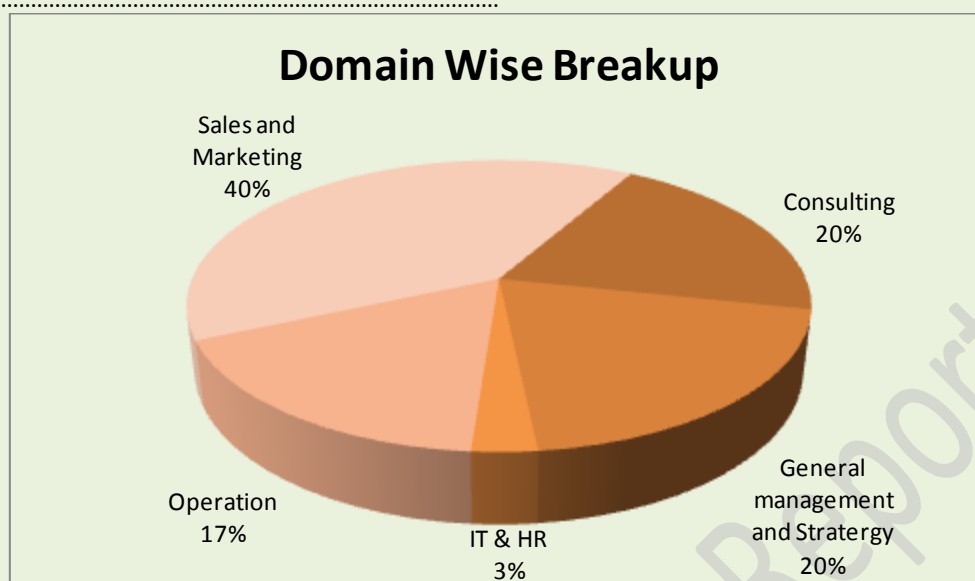

The PGP-Ex 12-13 batch had undergone 10 weeks of internship in China and other countries. This internship helped the participant to get inputs from Indian and Chinese management with global orientation. The participants could use their varied prior experience from the public and private sector companies to innovate, understand and provide effective & practical solution to the companies.

The PGP-Ex 12-13 batch acknowledged a tremendous welcome from various corporates in China and India. Despite of the current economic scenario, the offer of 40 internships was received by 35 participants empowering them to choose from.

The participants were interned at various Chinese companies like Diminco, Tyrex International, Go World Group, Hisense International, Mahindra Satyam, You Hua Law Firm, etc. The helped the participant to gain an overall knowledge of the Global Economy and Business Practices in China.

PGP-Ex Internship Report -2013

About 40% participants were offered various interesting profiles in Sales and Marketing. Companies like SunRui Marine, Hinsei, Tyrex International offered internship to participants for their flagship Market Entry Strategy and Distribution Channel Development. Qingdao Mutrade and MKL technologies amongst the others offered roles of Supply Chain and Marketing Strategy.

Consulting emerged as one of the most sought after domains at IIM Shillong which accounted for 20% of the offers. Prominent Organizations like Go World Group, You Hua Law firm and OUC Biological were among the many other companies who offered roles in consulting to the participants. In the consulting domain profiles like Market Entry consulting, Operational excellence, New Product Launch and many other were offered.

PGP-Ex Internship Report -2013

General Management and Strategy was an equally popular choice among the students. 20% of the participants secured offers in this domain. Companies like Diminco (Pacific) Manufacturing, CMST Development and Century light offered various projects to the participants.

Operation accounted for 17% of offers to the participants. Major companies like Phocos, Shandong Machinery Group, Wildcrafts offered various projects to the participants. Some of the profiles offered were Business development, General Operations, E-Commerce Operations, etc.

We thank all the recruiters for providing the platform for our very first PGP-Ex Batch to deliver its capabilities and helping IIM Shillong in its endeavor to provide its participants with equal inputs from Indian and Chinese Management with global orientation and thus concluding a very successful internship season.
