Dear Applicant:

We are pleased to learn of your interest in the graduate education at the International University of Japan (IUJ).

IUJ, in accordance with the international emphasis embodied in its founding principles, welcomes well qualified students from a variety of backgrounds and from various parts of the world to join its graduate level programs taught in English.

As a graduate school chartered by the Japanese Ministry of Education, Culture, Sports, Science and Technology (MEXT), IUJ must operate within the government policies governing educational institutions. Therefore, some of our application requirements and procedures differ from those in other countries. This guide contains information to enable all applicants to complete the application process smoothly. Some information may not be applicable to you, so please read the "notes" sections if there is doubt, or ask the Admissions staff. Please prepare your application, online, carefully in line with all the instructions given in this guideline.

This guide, along with the IUJ brochure and website, including the Admissions One-Point advice series, should answer most of your questions about the admissions process. Please do not hesitate to contact us if you need further assistance.

To apply to IUJ, please access the online application site at <http://www.iuj.ac.jp/admis/>

Please note that deadlines are strictly upheld: all *original* documents and test scores must reach the Admissions Office by the stated deadline to be considered by the Admissions Committee. Faxed items, attachments, or non-notarized copies are unacceptable unless specifically noted.

Admissions Policy and Screening Criteria

Admissions Policy

The fundamental objectives of the Admissions Committees at IUJ is to admit to our graduate programs as many of the most competent students as possible, within the limits of the number of places available in each school (see below).

In order to select the most competent students, the committee will review all the applicants individually and on the basis of several criteria listed below, through interviews (domestic applicants) and/or documentary screening. IUJ does not use a predetermined formula for rating the content of undergraduate education, nor does it use quotas based on nationality, age, or gender.

Screening Criteria

The purpose of the IUJ screening is to find applicants who can contribute to creating a stimulating academic environment for studying important practical policy issues, especially those related to enhancing understanding among different cultures and nations, increased economic performance, good governance, establishing peace and improving living conditions throughout the world.

Eligible applicants who meet one of the minimum qualifications described above, will be reviewed on the basis of the following criteria:

1. Well-defined motivation to pursue graduate studies; clear research and/or career goals which IUJ can support
2. Demonstrated scholastic achievement at the undergraduate level
3. Aptitude and potential to become a leader who can significantly contribute to and/or manage increasingly globalizing organizations
4. Maturity for a demanding academic experience
5. Fair sense of values to be able to become a member of our multinational and multicultural IUJ community with an interest in understanding different cultures, drive to actively communicating with others, and desire to create a world-wide human network

In addition, the applicant's skills in written and spoken English is a vital point to be evaluated as all the courses at IUJ are taught in English.

Number of Students and Time of Enrollment

Type of Applicants

IUJ receives applications from two groups:

Domestic Applicants (residents of Japan, regardless of nationality. "Resident" means Japanese passport holders who are living in Japan through the Admissions deadlines, or those holding a non-Japanese passport but have a Resident's Card or Alien Registration card, and with re-entry permissions into Japan on any type of visa at the time of application and through the Admissions deadlines), and

International Applicants (residents of countries other than Japan, regardless of nationality. This implies: Japanese nationals with residential permissions in a 2nd country and who are living in that country through the Application/Admissions process; or non-Japanese with no status in Japan through the Application/Admissions)

Admissions guidelines and fees are slightly different for domestic and international applicants.

Number of Students

The GSIR will admit up to 125 students for its 4 programs per year.

The GSIM will admit up to 90 students for the MBA and E-business Management programs combined.

Time of Enrollment

Fall Term (beginning in September of each year) in principle

Decision Cycles and Admission Schedules**For Domestic Applicants:**

It is mandatory for residents of Japan to sit for an exam and take an interview conducted by IUJ faculty members in English. Each program offers several opportunities for admission interviews throughout the selection cycle. These interviews are scheduled between December and May for GSIR, and between January and May for GSIM each year. IUJ bases each applicant's admission decision on the evaluation of the interview, test results, and application materials submitted. Applicants will be notified of the results according to the Admission's Schedule (See "Admission Schedules").

Domestic Special Screening: **Special screening will operate within the GSIM domestic decision cycle** for those applicants endorsed at IUJ by their employers. Eligible applicants must submit the endorsement form indicating they are endorsed by their sponsoring companies/organizations to study at IUJ while maintaining their employment. In the special screening, alternatives for GMAT test and English Test scores will be arranged. Please see Required Application materials below.

Applicants will be informed of details relevant to the interview and entrance examination after submission of the application documents.

The interview serves two purposes:

2) Personal Statement

Write, independent from the assistance of others, your personal statement and upload it using the online application system. We suggest you write it off line, and after careful checking, upload .doc, .docx or pdf file nicely formatted. Length: Between 400 and 600 words.

2015 IUJ Admissions Guidelines

Please carefully note the topic of your statement requested by the GSIR and GSIM admissions teams.

GSIR Applicants (IDP, IRP, PMPP, PPP):

While the content is free, we suggest the following topics:

- Motivation for coming to IUJ;
- The kind of special research you would like to conduct, and subjects you would like to focus on
- why do you feel that research is important?

Please note: This statement is very important for the Admissions committee to assess your fit for the program you are applying.

GSIM Applicants (MBA, E-business):

Focus your statement on your Career Plans:

- Describe your short- and long-term career plans and how the IUJ program, with a significant international emphasis, will contribute to the achievement of your career goals.
- How important is the international management component of the IUJ program to the realization of those goals?

3) Research Topic

In the section provided, please note the title and topic of your proposed IUJ Thesis in less than 200 words. The topic should be related to your Personal Statement.

4) 4 Photographs

Four (4) Photographs should be mailed to the Admissions Office by the deadlines.

The photographs must be:

- 1) 4 cm x 3 cm without margins (like a passport photo*)
- 2) Facing front, chest height, with no hat and no sunglasses
- 3) Taken within the past 3 months
- 4) The same exact image (do not send different images)
- 5) Have your name printed on the back of all 4 photographs

*Note: Digitally processed photographs, which are taken by a digital camera or captured by a scanning device and printed using personal computers by the applicants themselves, are unacceptable. Please prepare photographs that are valid for official use, such as those used on passport applications.

5) College Certificates

- a. Official transcript of academic record, and
- b. Certificate of graduation/degree

You should request official certificates and transcripts written in (or translated into) **English** from every undergraduate or graduate college/university you have attended. The transcripts need to include the names of all courses taken and grades received. Download a formal request form to submit to your universities to request these documents from the IUJ online Application system in the Check List section: **"College Certificate Request Form."**

The certificates, along with the "College Certificates Request Form," ***must*** be sealed in an envelope with the college/university's name on it, which is signed or stamped across the seal by an official of the institution.

If you are *currently enrolled* in an undergraduate/graduate program, you must submit an official transcript covering courses completed by the time of application and an official letter certifying the specific date and title of the expected degree upon completion of the program.

- NOTES:
- Photocopies of certificates/transcripts are not acceptable.
 - Once certificates/transcripts have been opened, they are not acceptable.
 - Certificates/transcripts without the institution's stamp or signature of registrar are not acceptable.
 - If a college/university has a policy not to issue more than one official transcript/certificate, you may submit photocopies verified by the college/university or a notary public. Put the documents in an envelope with the university or public notary logo and address noted, with an official's signature over the flap.
 - If a college/university cannot issue an official English certificate/transcript, you are required to submit both the official certificate/transcript written in its original language and its English translation made by a professional translator. They should be in the same envelope, which must be signed across the sealed flap by the translator.

6) Two Recommendation Letters

Using the online application system, input the name, title and contact information of two people you wish to have recommend you. The email address given must be to their professional email account, and not a gmail, hotmail, or yahoo (etc) account. Your recommender(s) should be 1) an academic advisor or professor, and 2) an immediate

supervisor from your work, and/or a company official. An automatic request email will be sent to the two professionals you indicate by IUJ, with a link to receive the Recommendation Letter form. We highly suggest you inform your recommenders about this process ahead of you submitting their names to IUJ.

The recommendations **should be filled out, and printed by your referee and, after signing, *must* be placed in a sealed envelope with recommender's signature across the seal. You should submit these, using postal mail, with the other required documents in one admissions packet. You may use the label provided in the online Check List to ensure delivery to IUJ.**

If you are not in a position to submit confidential statements from two different types of recommenders as indicated above, two statements provided by different individuals from the academic institution you have attended, or your workplace shall be acceptable. Every effort should be made to have the statements written in (or translated into) English.

7) Pledge Form

Print out the Pledge Form on the Admissions Check List, read and sign it, returning the original, using postal mail, to the Admissions Office by the deadline along with your other documents in one application packet. Please note: by signing the Pledge Form you take full responsibility for the content of your application and related documentation to IUJ and scholarship sponsors. Any discrepancy found in your documentation could be means for IUJ to overturn any admissions decisions either before you begin the program or thereafter.

8) English Test Score: TOEFL, IELTS* or TOEIC Score Report**

An official TOEFL (Test of English as a Foreign Language) or IELTS (International English Language Testing System) score is required of applicants who do not fall into **English Test Exemption Policy** below.

* Note: IELTS includes General Training and Academic Modules in the reading and writing sections. You should take the **Academic Modules**.

** Note: You may also submit an official TOEIC (Test of English for International Communication) score certificate. However, we strongly recommend you to take a TOEFL or IELTS test.

*** Note for the domestic special screening applicants: TOEIC IP TEST taken at their sponsoring organizations are acceptable. Please contact us for further instructions.*

The test score is valid as part of the application documents for admission if it was obtained within the two years prior to the time of enrollment. (Valid test dates are provided in "Admission Schedules").

Please note that we accept only original score report(s) directly sent to us from ETS or the British Council (or an IELTS test center).

IUJ's institution code for TOEFL score reporting is 0712.

Please make your test appointment early enough to allow your scores to be reported before our due date (please refer to "Score Delivery" for guidance).

Your TOEFL/IELTS/TOEIC test information must be correctly note in the appropriate section of the online application. If you are exempt from submitting a test score (see categories below), you may indicate so in that section after carefully reading our exemption policies. If you have any questions be sure to ask the Admissions staff.

English Test Exemption Policy

Those who fall into one of the following categories are exempted from submitting an English Test score (TOEFL, IELTS or TOEIC):

Category 1: Students whose mother tongue is English and who lived and were largely educated in one of the following countries: **the U.S.A., the U.K., Canada, Australia, New Zealand, and Ireland**, where English is the national language.

Category 2: Students who have formally completed or are expected to complete an undergraduate or graduate program (in English) in one of the countries of Category 1.

Category 3: Students who have formally completed or are expected to complete an undergraduate or graduate program in an English-medium institution in one of the following countries: **India, the Philippines, Singapore, or a Caribbean country such as Jamaica, Barbados, and Trinidad and Tobago**, where English is a primary institutional language.

Students who fall into Category 2 and 3 must submit evidence that the medium of instruction at the undergraduate or graduate university was (are) English.

Note: We are aware there are other countries where English is one of the official languages, and that other countries' schools may be conducted in English. However, IUJ policies do not include them. All others are required to submit a TOEFL, IELTS or TOEIC as part of their application documents.

2015 IUJ Admissions Guidelines

Priority will be given in the admissions process to applicants who have at least the following English scores:

TOEFL: Paper-based exam	550
Internet-based exam	80
IELTS:	6.5
TOEIC:	800
(No other English test score is accepted)	

Those falling below the recommended test scores, but who are admitted to IUJ, are highly recommended (or in some cases, as a condition of admissions) to attend the Intensive English Program during the summer (8 weeks) before their first term of IUJ.

Note on IUJ English Classes Exemptions

Please be aware that on-campus English exemption tests will be administered in late September for the purpose of deciding which new students need to enroll in English classes that are held in the regular terms. Information concerning which new students are exempted from these on-campus tests is contained in the document, 'English Exemption Policies for IR & IM Students' which is included in the packet of documents sent to all admitted students.

Note on Japanese Language requirements: Applicants are not required to know any Japanese language because the medium of instruction at IUJ is English

9) GMAT or alternative test score* (MBAs *only*)

A GMAT (The Graduate Management Admission Test) score is required* of all MBA applicants and highly recommended for scholarship considerations. **The test score is valid as part of the application documents for admission if the score is obtained within five years prior to the time of enrollment** (Valid test dates are provided in "Admission Schedules").

Please note that we accept only original score report(s) directly sent to us from Pearson VUE. Please make your test appointment early enough to allow your scores to be reported before our due date (please refer to "Score Delivery").

IUJ's institution code for GMAT score reporting is BV1-7F-20.

***Alternative 1:** If for logistical reasons taking the GMAT is not possible for you, you may submit a GRE (general) test score. We highly recommend you consult with the Admissions staff before choosing this option, especially if scholarship support is required.

The IUJ GRE Designated Institution code is **0712**

***Alternative 2:** For the domestic applicants (only for 1-year MBA applicants or sponsored applicants), an IUJ administered Math Test is also an option. The online system will guide you to this option. If you choose this option, you must sit for the test which is conducted on the same day as the admission interview.

Your GMAT/GRE result or Math test must be indicated in the appropriate section online. Unless indicated, we will assume that you have not taken/will not take this test, but in this case your application cannot be completed so you are not eligible for admissions. In addition to indicating your results online, the original test scores must be sent from the testing body to IUJ by the deadlines.

10) Application Fee

Domestic Applicants: 30,000 yen

International Applicants: 5,000 yen

All applicants are required to submit a non-refundable application fee. There are **no exceptions**.

The application fee is payable by bank transfer or credit card (VISA, MASTERCARD, American Express, JCB, UC). The online application system will guide you to your payment options. If it is impossible for you to make a payment in Japanese yen, you may pay the equivalent amount in US dollars.

The applicant is also responsible for all handling fees (remittance fee etc.).

11) Application for Scholarship (those requiring financial support to attend IUJ *only*)

Several scholarships are available through IUJ for highly qualified non-sponsored students. IUJ selects scholarship candidates from the pool of successful applicants at the time of admissions decisions. Those requiring financial support fill in the required online section, in the 2nd phase of the online application process, or indicate that no scholarship is needed in that section.

For Japanese Applicants

IUJ grants S. Nakayama Memorial Scholarships or a loan program to qualified Japanese applicants. All non-sponsored applicants (except applicants for Public Policy program and 1-year MBA program) are eligible to apply for them. Those who would like to apply for this financial aid should fill out the "Scholarship Application for Japanese Applicants" by the deadlines, and mail it to the Admissions Office attaching a "Certificate of Income" "Gensen Choshusho", "Kakutei Shinkokusho" etc. with the other required documents.

For more details, please refer to the IUJ Scholarship Guidelines for Japanese Applicants.

For Non-Japanese Applicants

IUJ grants S. Nakayama Memorial Scholarships to qualified non-Japanese applicants. All non-sponsored applicants (except applicants for Public Policy program and 1-year MBA program) are eligible to apply for this scholarship. IUJ also recommends qualified Non-Japanese applicants to scholarship programs provided by our affiliated organizations such as ADB (Asian Development Bank), AEON (AEON 1% Club), etc.

To be considered for the above-mentioned scholarships, complete the online application form in the 2nd phase of the online system.

For more details, please refer to the "IUJ Scholarship Guidelines for Non-Japanese Applicants" on the website at <http://www.iuj.ac.jp/admis/scholarship/>

Applicants are strongly encouraged to seek alternative sources of funding on their own, as not all those admitted to IUJ programs can be supported through IUJ administered processes.

Financial planning is especially important for non-Japanese applicants in obtaining a Certificate of Eligibility (CE) needed to obtain a College Student Visa. You will be required to prove to the consular officer and the Japanese Ministry of Justice that you have sufficient funds to cover expenses for study in Japan, such as the university's tuition and fees and living expenses (housing, food, clothing, etc.).

Notes:

- Results of scholarship selection are not available from IUJ until after mid-March each year. Moreover, non-Japanese applicants who are recommended by IUJ to an external scholarship foundation for consideration need to complete a separate application process (The Admissions staff will guide you at the appropriate time) and wait for the final decision which can take until the middle of July.
- Application for scholarships does not affect IUJ's consideration of a student's application for admissions.
- If you do not submit a scholarship application, you will not be considered for a scholarship.
- Deadlines for scholarship applications are the same as admission application deadlines. A scholarship application must be submitted online along with the complete set of application materials for admission.
- There are no chances to apply for financial aid to cover tuition after entering IUJ, except the MEXT scholarships which are highly competitive. Students may have an opportunity to apply for some scholarships that cover only partial living expenses after enrollment, such as offered by JASSO. The selection process is competitive.
- **No scholarship is available for Public Policy Program and 1-year MBA program.**

12) Residence Record "Juminhyo" (Non-Japanese Domestic Applicants *only*)

Domestic applicants who are not Japanese nationals must submit Residence Record "Juminhyo" to prove your status and address in Japan.

13) Letter Attesting to Academic Research Experience (those with less than 16 years of education *only*)

Mailing Instructions

- **All application materials must be submitted online or received by IUJ on or before the appropriate application deadlines.** (Please consult the "Admission Schedules" carefully.) Late applications will not be considered.
 - From the Online Application checklist, you may print out our mailing address to ensure accurate delivery.
- Applicants must send all the application materials, except for the original GMAT/GRE and/or TOEFL/IELTS/TOEIC score report(s), **altogether in one package**. Using express registered mail or a courier service is highly recommended. Only when circumstances require, official college certificates and/or recommendations may be sent directly to IUJ from the registrar and/or recommender. Contact us ahead of time if this is the case.
- **We will not return any documents or application fees once submitted.**
- **Application materials sent by Fax, Email attachments or E-mail messages are not accepted.**
- Be sure to indicate the mailing status of all your application materials on the "APPLICATION CHECKLIST" of the online application system
- Please do not send any documents/materials which are not required.
- It is the applicant's responsibility to request all supporting documents early enough to meet the designated deadline.
- We strongly recommend that you print out a copy of the online application and make copies of all supporting documents for your files (except the recommendation letter's which should be in sealed and confidential envelopes).

Application Acknowledgment

As IUJ receives your **completed** online application forms, and other required application materials/test scores and the supporting documentation, IUJ will send you acknowledgment messages explaining your application status, usually by E-mail. The acknowledgement will contain the same unique application ID number you were given when you started your application online.

We ask you, too, to use your Application ID number in all correspondence you may make with IUJ to help us identify you and provide timely support.

Admissions Results

Admissions results for both successful and unsuccessful applicants will be sent by express registered mail to each applicant, regardless of his/her country of residence, on the dates of announcement of admissions results listed in the table on the previous page. If you do not receive the documents from IUJ in a timely manner (appropriate to your location and express mail services) contact us. A list of successful applicants will also be posted at IUJ's Urasa campus at 13:00 Japan time on those dates. In addition, you can inquire about your result via the IUJ website after the release date and time. Admission decisions cannot be released by telephone or email, in principle.

Announced decisions are final. IUJ will not answer any inquiries about unsuccessful results.

Admission Procedures

After the Admissions Committees finalize their decisions, an Accept or Reject notice will be sent to you. A Notification of *Successful Result* does not constitute a guarantee of admissions. Successful applicants will be requested to inform us of their intention to enroll, and will be asked to submit some additional documents and pay the Admissions Fee. These actions are referred to as "Admission Procedures". Details of admission procedures are mailed to successful applicants along with the admissions results. Only those who complete the admission procedures will be issued an official LETTER OF ADMISSIONS. This letter, along with a Certificate of Eligibility which IUJ will help you obtain, is used to apply for your College Student Visa from the applicant's local Japanese embassy or consulate. Those who fail to complete these procedures will be considered to have declined IUJ admissions. **Deferred admission is not offered at IUJ.**

Protection of Personal Information

All personal information that IUJ obtains from applicants will be used solely for the purpose of admission screening and the student registration process in subsequent admission procedures. All application information and supporting documents provided by applicants will remain confidential and will not be released to any third party without prior permission of the applicants.
