20:34	arjunagarwal88	can you throw some light on entrepreneurship skills and how many percentage of students become one
20:35	sahil7389	Hello sir,
20:35	ISBAdmissions	right after graduating from ISB only few guys jump into entrepreneurship but lots more jump in after jobs. Currently we have 350+ entrepreneurs as our alumni out of a total of 6000 spread in 33 countr

GMAT Club Chat with ISB Admissions

Mr. Rupesh Bisht (Associate Director – Admissions & Financial Aid)
Sept 1st, 2014

20:38	ashishmehta89	on what basis is a student allotted to Mohali or Hyd campus ?
20:38	viveksingh44	Can the recommendations be from supervisors who supervised me say 2 years back? I would not like my current supervisor to know that I am applying.
20:38	ISBAdmissions	the isb 1 yr programme is a condensed form of a standard 2 yr programme. the actual classroom contact hours at isb are 680 vs 720 in a 2 yr programme. there is a trade off of 40 hours which is fair given u save a year.
20:39	Narenn	Guys, you are speaking all at once 😊
20:39	Ankur-ISBModerator	@viveksingh44: You can choose your previous supervisors also as the recommenders. They can be anyone who can state your qualities at work
20:39	sahil7389	What are the different job roles offered after an ISB MBA which I can relate to my engineering as well as MBA learning.?Means where both of the experience are required to do work?
20:39	Ankur-ISBModerator	Thanks Narenn
20:40	ankit	how you weigh year of experience and gmat score in admission process?
20:40	WaterFlowsUp	what points exactly a recommendation should contain (besides quality of work) .?
20:40	TD	That is great.. thanks.. That means that year will be super busy for an Isbian!!
20:40	ISBAdmissions	there are a lot of leadership prog available at isb beyond aditya birla. eg. siemens, bharti, ge, novarits etc.
20:41	ISBAdmissions	more than the years of experience, quality matters for selection at isb
20:41	arjunagarwal88	in first round and second is there a difference between gmat rates .. like gmat in first round can be a bit low and in second round higher gmat is needed?
20:42	pulkitkeshar	how far does the 10th and 12th marks affect the selection chances ???
20:42	ISBAdmissions	students can indicate preference of campus but an algorithm allocates campus. we try to honour ur pref, but campus cant be guaranteed
20:42	tushver	What challenges an applicant already having a PG degree(second MBA) will face for ISB admission?
20:42	Ankur-ISBModerator	@arjunagarwal88: ISB looks at your profile holistically in both the rounds, so the GMAT score comparison cannot be done
20:43	swaydzlycan	does isb prefer entrepreneurs over corporate sheeps?
20:43	mib_7o3ojv	hello
20:43	Charismasin	thank you very much..
20:43	ISBAdmissions	sahil- any management role in an engineering/ manufacturing/supply chain /oil and gas co etc will fit the bill
20:44	arjunagarwal88	@ankur ... thanks. but historically and statiscally speaking.. there were roumours and even from students there.. so need to have a light over it
20:44	arjunagarwal88	@ankur ... thanks. but historically and statiscally speaking.. there were roumours and even from students there.. so need to have a light over it
20:44	rahuldengra	can the recommendation be from someone who has left the firm recently
20:45	WaterFlowsUp	Can my client manager recommend me?
20:45	ISBAdmissions	ankit - gmat score has some weightage as part of academic evaluation in selection. Same goes for quantity and quality of work experience
20:45	viveksingh44	Thanks Ankur. Also, does taking GMAT n number of times affect admission chances? Does it reflect negatively if the scores are almost the same in those attempts?
20:45	ISBAdmissions	We don't have a cutoff for gmat or experience to apply to isb. though 2 years are must to start a class at ISB
20:46	prateekagarwal	i have an experience of 14 months in a corporate company, post which i joined my family business ..will my experience as an entrepreneur count ?
20:46	Ankur-ISBModerator	@viveksingh44 According to ISB ADCOM, ISB considers the highest GMAT score and they encourage you to go ahead and improve the score.
20:46	swaydzlycan	prateek are you in musigma?

20:46	ISBAdmissions	Recommendation at isb is a set of standard questions sent by us to your evaluator
20:46	Ankur-ISBModerator	@rahuldengra: If you ave worked closely with the person and he/she knows you well, you can take the recommendations from tehm
20:47	mib_tbd6o8	@ISBAdmissions - Sir..It is always mentioned that GMAT is not a key criteria for selection..However, I requested for a feedback..and it was mentioned that my GMAT is low (680)...why is that
20:47	prateekagarwal	@swaydzlycan - No
20:47	ISBAdmissions	@TD- the year has been designed hectic on purpose, recruiters love guys who can thrive under pressure
20:47	sahil7389	Thanx sir, For those(sahil- any management role in an engineering/ manufacturing/supply chain /oil and gas co etc will fit the bill) management roles are there any specific courses offered in ISB? eg lets take Oil and Gas industry
20:48	TD	@ISBAdmissions: Thanks. Yes that is. I believe it also tests a person's potential to work under great pressure.
20:48	Ankur-ISBModerator	@all I think we have a big backlog here, let Mr. Rupesh finish the preivous questions.
20:48	Ankur-ISBModerator	Can we hold on for 2 minutes please and let him answer the previous questions.
20:48	swaydzlycan	sir i started my tech company a year ago and i am just breaking even, does isb value entrepreneurial pursuits as much as it values work experience in a corporate?
20:49	mib_y2zfg2	Hi guys...i am planning to do my mba in states...but which test is most preferred ?Gre or Gmat? I will get my b.com degree in 2015?
20:49	ISBAdmissions	arjun - absolutely not. we ensure that it is not so by making few offers in R1 and having a healthy waitlist from R1 which is then merged wiht R2 applications and this way we have a large pool to pick out the best from
20:49	Ankur-ISBModerator	@mib_y2zfg2: depends on the school you chose. Most prefer GMAT
20:50	Ankur-ISBModerator	@mib_y2zfg2: this is not at all the right place to ask this question
20:50	mib_y2zfg2	But these days most bussiness schools accept gre..

20:53	ISBAdmissions	gmat has weight; all we are saying is it is not the only thing. let me give u all some stats on gmat. Range- 600 to 790. median - 710, but these are derived numbers and not predefined
20:53	arjunagarwal88	does ISB counts gmat scores for all candidates at same... irrespective he/she engineer/ rocket scientist/ commerce guy/liberal arts?
20:54	ankit	I've GMAT score 3 years older. Is person with same and recent gmat score will be given preference in selection process over me?
20:54	ISBAdmissions	for us startups are as good as any corporate job. we are not biased or prejudiced against any kind of work experience
20:54	krishna021	Hello....if i take test in and around jan will dat be considered for 2015 in take?

20:57	krishna021	isnt it?
20:57	ISBAdmissions	gmat score is a score and means the same for everyone. Though various education streams and category of college plays a role in evaluating other academic credentials

GMAT Club Chat with ISB Admissions

Mr. Rupesh Bisht (Associate Director – Admissions & Financial Aid)
Sept 1st, 2014

21:02	ishan750	does it matter how many times you give your gmat
21:02	pulkitkeshar	My lot of management related activities add up to my chances of selection ???
21:02	ISBAdmissions	we don't have a predefined split bet r1 and r2. we make few offers in r1 but maintain a healthy waitlist
21:02	WaterFlowsUp	@ISB how should one prepare for the interview ? i mean is there anything in specific that one should know or speak?
21:02	Ankur-ISBModerator	@ishan750 .. I already answered that ... No
21:03	arjunagarwal88	700 or 710 non engineer.. and 750 or 760 engineer... but same to same profile... then could you tell how it will be viewed and how is at upper hand?
1:03	arjunagarwal88	700 or 710 non engineer.. and 750 or 760 engineer... but same to same profile... then could you tell how it will be viewed and how is at upper hand?
21:04	ISBAdmissions	ishan- the eval is holistic - there is nothing which will just get u in, neither absence of something will get u straight rejection
21:05	Bhanu	Rupesh i hav a very imp question.. fr eg, people say ug frm iit s d dream profile fr isb.. so say u get maj applns frm them.. wat abt others Ps? i mean p1, p4 etc...?
21:05	Ankur-ISBModerator	@pulkiteswar: your selection is done on the basis of your whole profile, not just one or two traits.
21:06	ISBAdmissions	for interviews be thorough with the application, prepare for possible questions, we will evaluate u on your strengths and not weaknesses
21:06	arjunagarwal88	thanks @ bhanu ... very very imp for me either
21:06	pran21	Should people with family business background apply for the PGPM program?
21:06	arunspanda	Can I infer that the waitlist of R1and R2 are combined in final selection in R2.
21:06	pulkitkeshar	@Ankur thanks
21:07	janani28	hi... I have 5 years experience in I.T... been on maternity break for almost 1.5 years... will that reflect badly on my application
21:07	Ankur-ISBModerator	Moderator Note :- Please wait for some time, let Mr. Bisht finish the pending questions first.
21:07	ISBAdmissions	bhanu - we have 70% engg & 30% non engg. Engineers come from all kinds of colleges, not just IIT or NITs
21:08	Bhanu	sure Rupesh tat was helpful
21:08	Ankur-ISBModerator	@pran21: yes you can
21:08	ISBAdmissions	family biz folks can consider both PGP and MFAB, visit website for details
21:09	arjunagarwal88	@ ISB is acceptance rate of engineers are higher as compared to non engineers.. its obvious max engineers apply .. so i am asking about ACCEPTANCE RATE
21:09	gmat	how does isb view multiple gmat scores?
21:09	ISBAdmissions	some waitlists from r1 will be given calls alongwiht r2 fresh apps, other waitlists may be merged with r2 waitlists
21:10	EshanSharma	How much weightage is given to your undergraduate GPA while evaluating the profile? And is there something that offsets a low GPA in the eyes of the AdCom?
21:10	Ankur-ISBModerator	@arjunagarwal88: the iSB class is a representation of the pool of the applicants. the class is more or less formed in the same ratio as the applicants.
21:10	Ankur-ISBModerator	@gmat: The highest gmat score is consiered.
21:11	Bhanu	Isb welcomes diversity!
21:11	ISBAdmissions	Acceptance rates typically remain same for all groups; That's why we have 70% engineers in the class. Typically class at isb mirrors the applicant pool.
21:11	ashishmehta89	If the GMAT score is older than 2 years, will it have any impact on the selection process ?
21:12	ISBAdmissions	low gpa during college or school can be offset by high gmat and vice versa
21:12	arunspanda	Is there any weight pattern for academics, exp profile and GMAT score?
21:12	Ankur-ISBModerator	@ashishmehta89: No
21:12	ISBAdmissions	gmat is valid for 5 yrs, recency is not an advantage

21:17	Ankur-ISBModerator	@aksh23 : scholarships are merit and means based
21:18	Ankur-ISBModerator	for means: family income<10 lacs and you need to write an essay, merit based are automatic
21:18	ISBAdmissions	for scholarships - merit is automatic, Rs 5 or 10 lac if you qualify as judged by adcom
21:18	gmatbugsm84	I have a question about the essays. I have chosen to write about the team question in essay 3. However, I have some extracurricular interests which are pertinent to the ISB. Is it OK if I write about them in essay 4?
21:19	ISBAdmissions	we also have 10 full tuition fee waivers this year at ISB
21:19	Narenn	"No quotas at isb whatsoever" - Perhaps that's the reason why ISB moved to Hyderabad from Mumbai 😊
21:19	Ankur-ISBModerator	@Narenn 🙄
21:19	targetISB	how good are the placements in the media and entertainment sector? As per the placement report, there are no major players from media & entertainment

21:22	TD	Is there any on campus/ off-campus job opportunities / intern-ships during the MBA journey?
21:23	targetISB	Does the target industry play a major role in getting the admit?
21:23	ISBAdmissions	job opportunities are available for spouses, not students
21:23	gmatbugsme84	I have a question about the essays. I have chosen to write about the team question in essay 3. However, I have some extracurricular interests which are pertinent to the ISB. Is it OK if I write about them in essay 4?
21:23	ISBAdmissions	target company does not play any role in adcom decision
21:24	ISBAdmissions	is essay 4 the optional essay?
21:24	gmatbugsme84	Yes. essay 4 is the optional essay
21:24	WaterFlowsUp	@ISB what are the chances of a career transformation? Say i am in IT for 5 years and i want to shift to AD making(entertainment and Media)

21:25	rahuldengra	how important is AWA score ? does a good gmat and low awa affects your application

21:27	ISBAdmissions	rahul just for improving awa ? it does not seem logical
21:27	smit29may	I have a background in Healthcare industry. Can I know the Gmat avg from this backgrd?
21:27	mib_it78hw	How important is academic performance at ISB? I ask in the context of job opportunities.
21:28	WaterFlowsUp	@ISB is a career transformation based on any professional guidance or is it purely on the placement?

21:29	smit29may	okie 😊
21:29	Ankur-ISBModerator	@smit: last year, the lowest gmat was 600
21:30	ISBAdmissions	we have students with a 640 in class, but a higher gmat score helps
21:30	mib_it78hw	Thanks, I presume you mean consulting roles like good GPAs and other not so much.
21:30	smit29may	One last ques. Does the GMAT help in getting into consulting roles at ISB/any other top tier?
21:30	gmatbugsme84	@smit - Yes
21:30	Narenn	Guys, we are running out of time. We will continue for next few minutes only. please fire away whatever remaining questions you have
