

# "Explore an exciting career in business academia. Pursue the INSEAD PhD."

*Are you curious about interesting business questions and data,  
and the creation of knowledge?*

*Are you keen to pursue research that is rooted on the real world;  
thus, having significant impact?*

*Would you like to captivate audiences with your innovative ideas  
and challenge their thinking?*

Regardless of subject background and level of research or work experience, prospects who are keen on pursuing a career in business academia are welcome to apply to any of the 8 focus areas based on research interest: Accounting, Decision Sciences, Entrepreneurship, Finance, Marketing, Organisational Behaviour, Strategy, and Technology and Operations Management.
