Hi Shaifali,

Congratulations!

No matter what you scored, taking the GMAT is an achievement in and of itself. GMAT test takers are an elite group, and you should feel proud to have braved the real thing.

Since you've been studying hard with us, we're dying to know — how did it go!?

We'd love to know your overall score, quant score, verbal score, and IR score, along with the corresponding percentiles. Just reply to this message to keep us in the loop.

Best wishes,
